Dear Mr. Gratton,

Re: Letter of Assurance, Glencore Copper Canada Assets

This letter is to attest that Glencore Copper Canada has a process in place to verify the information provided to the Mining Association of Canada (MAC) with respect to our Towards Sustainable Mining (TSM) Performance Indicators.

In April 2017, Glencore Copper Canada's Assets, Canadian Copper Refinery (CCR) and the Horne Smelter, completed an independent third party verification of their 2016 TSM self-assessment results.
