Dear Mr. Gratton,

Subject: External Verification of TSM Self-Assessment for Teck Resources Limited

Teck Resources Limited has a process in place to verify the information provided to the Mining Association of Canada (MAC) with respect to our participation in the Towards Sustainable Mining (TSM) Performance Indicators.

Our TSM Verification Process included an independent review performed by PricewaterhouseCoopers (PwC). PwC assessed Teck's reported performance indicator results for the year ending December 31, 2015 as measured against the requirements of MAC's TSM Performance Indicators.

Performance was verified for the following operations:

- Elkview
- Fording River
- Highland Valley Copper

The results submitted online reflect the verified results.

Please feel free to contact Laurie Kelly (604-699-5018) if you have any questions regarding our 2015 results.

Sincerely,

Donald R. Lindsay
President and CEO
Teck Resources Limited
