Dear Mr. Gratton:

**RE: VERIFICATION OF ALBIAN'S TSM PERFORMANCE INDICATORS AS MEASURED BY
MAC'S TSM REQUIREMENTS FOR THE 2006 REPORTING YEAR**

Albian Sands Energy Inc. (Albian) developed and implemented a process to assess its performance against the Mining Association of Canada (MAC)'s Towards Sustainable Mining (TSM) Performance Indicators.

The TSM verification process included an independent review performed by SGS Systems and Services Certification Canada Inc. from April 3 – 5, 2007. The review confirmed that the reported results fairly stated Albian's company performance for the 2006 reporting year.

Should you have any questions, please contact Celina Doyle at (780) 792-2548.

Sincerely,
ALBIAN SANDS ENERGY INC.

CHRIS JONES
