Towards Sustainable Mining (TSM) Verification 2022**

---

Stornoway Diamonds (Canada) inc., has a process in place to verify the information provided to the Mining Association of Canada ("MAC") with respect to its Self-Assessed Towards Sustainable Mining ("TSM") Performance Indicators.

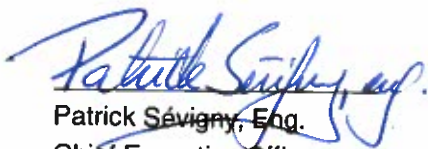

The "TSM Verification Process" included an independent review performed by EEM Gestion ESS inc. The Verifiers reviewed the process developed and implemented by Stornoway Diamonds (Canada) inc. for the year ended December 31, 2021, with respect to the TSM self-assessment information entered into the Mining Association of Canada's Towards Sustainable Mining ("TSM") online database.

The Verifiers assessed the company's reported TSM performance indicator results as measured against the requirements of MAC's Towards Sustainable Mining Performance Indicators.

The results submitted on line reflect the verified results.

Please feel free to contact Ms. Maryse Godin at [mgodin@stornowaydiamonds.com](mailto:mgodin@stornowaydiamonds.com) if you have any questions regarding the 2021 results.

Sincerely,

Patrick Sévigny, Eng.  
Chief Executive Officer  
Stornoway Diamonds (Canada) Inc.
