Dear Mr. Gratton,

Subject: Verification of TSM Self-Assessment for Teck Resources Limited

Teck Resources Limited has a process in place to verify the information provided to the Mining Association of Canada (MAC) with respect to our participation in the Towards Sustainable Mining (TSM) Performance Indicators.

Internal verification was performed by Teck personnel. The reviews assessed Teck's reported performance indicator results for the year ending December 31, 2025, as measured against the requirements of MAC's TSM Performance Indicators.
